

It's too late to harbour any illusions
The 90's will be the final ride
No one can no one can stop it
Do you think that God will save you?

98th year baby

All things are pilling up
Babylon's tower of chaos and confusion
The Big Bang will really be a sound to hear
The sound that will be heard in the 98th. year

98th year baby

BANG! BANG!

Within a second we will get answers to any questions
Which we may have then the final pebble will fall into the mosaic
and that will be the last answer forever and ever

Then we will discover the solutions
To all of our problems
That will be our last chance
To save within the universe that fuck'n' crew known as humanity
...
