

Love Is Like a Red Rose

Našrot

Love is like a red rose
In the wind, baby
I want to tell you, babe
I need this rose
'cause I'm in love
And nobody helps me
You know, my heart
Longs for you, baby!

I want to fuck you
Otherwise nothing, haha, is it good?
My tubesteak is waiting
For your pussy, haha, it's good!
You look for tenderness
I'm tender, haha, you see?
You think I'm dangerous for you, that's not true

TRY IT MY BABE
'CAUSE I'M THE KING
OF ALL SLEEPING ROOMS
YOU CAN BE THE QUEEN!

You always wanted
The fall in love, oh really?
And you didn't see
Everything around, oh yeah, really!
Red roses of love are in the ruins (Do it!)
So what else do you
Wanna discuss? (Do it!)

DO IT MY BABE
'CAUSE I'M THE KING
OF ALL SLEEPING ROOMS
YOU CAN BE THE QUEEN!

I WANT TO FUCK YOU!!!
