

Simply Stupid Day

Našrot

Yesterday I had a bad day
I got drunk and I got sick
My girl said good bye
I felt like a dick
And then I ate mushrooms
And I felt great
They fired me from work
'Cos I wasn't in their state

Hey tell me, tell me, tell me
It'll be all right?

Water run into my guitar
And I couldn't get a hard on
And Caroline laughed me
I felt like a moron
I thought it would be cool
But it wasn't
Pissed of at the cruel world
And it was pleasant

Hey tell me, tell me, tell me
It'll be all right?

AND THEN MY FRIEND GOT ME HIGH
AND EVERYTHING WAS DIFFERENT...
FUCK THIS STUPID DAY!!!

Car ran over my cat
'Cos it was in the way
I took a bad shit
Simply stupid day
I thought it would be cool
But it wasn't
Pissed of at the cruel world
And it was pleasant

Hey tell me, tell me, tell me
It'll be all right?

PROBLEMS FALL SLOWLY
(on top of my head)
FUCK THIS STUPID DAY!!!!

AND THEN MY FRIEND GOT ME HIGH
AND EVERYTHING WAS DIFFERENT...
