

Try To Lie

Našrot

If the teacher asks you
Why'd you come late to school
Try to lie
If your father asks you
Why'd you ramble on the streets
Try to lie
Try to lie /just now!/

If the cop wants to know
Why do you have a knife
Try to lie
If your girl-friend asks you
Who was that girl yesterday
Try to lie
Try to lie /just now!/

If they catch you in the store
When you take their goods
Try to lie
If they want to know
What's in fact your name
Try to lie
Try to lie /just now!/

Because
Cop lies
Politician lies
Businessman lies
That man in the corner lies
Your father lies
Your mother lies
Your best friend lies
Your God lies!
Try to lie /just now!/
Everybody lies...
