

Ya, ya, ya, ya
Ya, ya, ya, ya
Ya, ya, ya
Huh?
Ya, ya, ya, ya
Huh?

Splurging on myself once again
Spilling dirty on myself once again
Drop the top whilst I'm still parked in garage
It feels good not to live a facade
I bought a hectare for less than a bar
That's a bar
That's a bar
Told my bitch let's get closer to God
That's another bar
Oh my God
That's a bar
Say you a queen bitch
Stop fuckin these little boys
Get you a nigga that can buy you a farm
