

Endless

Nasty C

What's the fee for shining
Never rush eye lid
No man could time this
The vibes are endless and timeless

It ain't no secret baby we're the finest
Take the word live and redefine it
Put some more life behind it
Overcome the fear of dying

A heart of gold
And a spirit of lion
Can't run away from the sex and violence
Take the word love and then redefine it
Take the word love and then redefine it

A heart of gold
And a spirit of lion
Can't run away from the sex and violence
Take the word love and then redefine it
My heart is yours baby if you can find it

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

I say to live is to love and to love is to live
And I'm giving them that vibe
So they loving the kid
They might jump for the kid
Run for the kid
If they wanna be on this side
Tell 'em love is the bridge

Got a couple that's ready to pop the trunk for the kid
And a couple that's got some junk in the trunk for the kid
Like
Mothers telling me how I'm saving their kids life
I'm becoming a super hero in real life

Meeting strangers whilst I travel the globe
And I hug them like their one of my own
And it just feels right
It's not enough for me to say that I'm known
If I can make you feel you're never alone

It makes me feel nice

Make me feel like I'm alive for a reason
And not just trapped in a cycle with the seasons
Like I'm something for the people to believe in
Because I see them

A heart of gold
And a spirit of lion
Can't run away from the sex and violence
Take the word love and then redefine it
Take the word love and then redefine it

A heart of gold
And a spirit of lion
Can't run away from the sex and violence
Take the word love and then redefine it
My heart is yours baby if you can find it

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah
