Tattoos on my body shawty think I'm thugging hard (Let's go)
I can't even hit the gym, I'm scared to take a loss (Boy psych!)
Fell in love with threesomes, it was love at first dyke
Fell in love with this shit, it was love at first mic
I was in a dark place, couldn't find a light
Then I hit a lick as if my pen didn't wanna write

Godflow (Ah, ah, ah)
Godflow (Ah, ah, ah)

The niggas in my section, reppin', steppin' (Uh)
It could be ten of us but nobody comes second (Ay)
You, you a peasant, surrounded by yes men
I'm a leader by selection
Y'all sheep, you a shepherd (Ay)
