

He said

Nasty C

Ayy, nigga!
Vibin', I'm chillin'
This just me being me on behalf of me, nothing else, ayy
Uh

I'm ready to do whatever it takes to be a G
Even though I'm not required much being me
The people that believe in me or Nasty C just have to see what
I see inside of me
It's a curse that can't be defeat
E-D in my feet
Lead me to a place no one can figure out
Try to trespass I press shit that takes a nigga out
I only give respect to the people that earn it
And with this blessed crack, I bless the people that heard it
My goal and motive is to motivate people whether they black or
white
Tryna get your finances right, setting your damn chest alight
Tryna rearrange the order of living we fitting in
The picture not painted by our creator, that must be a sin
Isn't that a sin?
Am I supposed to stand out?
Even with me standing out is just too embarrassing
I guess I gotta be embarrassed til I get it right
People my age and laughing and pointing like "Nigga, get a life
"
Well I don't want it if it's gonna last for five seconds and ha
ve to sign with the devil, that's just a life sentence
Yeah I'm sure, you ain't heard me say "I-dick"
'Cause I'm certain that I'll be rappin' til I decay
It comes naturally, see this is real for me
When Mish took me in it was more than a deal for me
Selling beats that got me on the road
Follow the rainbow through the mist of smoke and see the pot is
not really made of gold
This shit is more to me than that
The only thing I do and get emotionally attached
Yeah it's more to me than that
I was just being real with you, it wasn't supposed to be a trac
k
You have now stepped into my damn mind field
Now try to feel what I feel
