

Import

Nasty C

I need my whips imported
I need my chips imported
I need my bitch imported
Of course
Bitch I'm very important
Got a bad bitch in new York
Fly shit only, of course
I need my whips imported
I need my chips imported
I need my bitch imported
Of course
Bitch I'm very important
Got a bad bitch in new York
Fly shit only, of course

I hit it right out of the course
You falling in love so I've gotta abort
I ain't ready to die so I've gotta torch
Fly in and out and in again lil bitch
Cause I'm on a tour
Made the money my wife and shit
I hope we never divorce
Like daddy you fly as shit
They put me right on my horse
I be in LA with a white bitch
And she be sniffin' and snorting
And she want dick in the morning
I get that bucket like Jordan
I got some bands inside of my pockets
That's bigger than horse shit
I ride in a demon but fuck it
I still don't mind thanking the lord, shit
I'm hot as the devil
I'm getting my money
I'm copping some more shit
That's shawty she call me to play in her field
I pull up and score shit

I need my whips imported
I need my chips imported
I need my bitch imported
Of course
Bitch I'm very important
Got a bad bitch in new York
Fly shit only, of course
I need my whips imported
I need my chips imported
I need my bitch imported
Of course
Bitch I'm very important
Got a bad bitch in new York
Fly shit only, of course
