

MSP

Nasty C

I see you Speedsta, you killin' em, son
Ayy, ayy

It's for the hatin' ass nigga in the back
Yo Ma Se Poes
I wanna know why y'all nigga so touched
Go see a masseuse
Ayy, when I see a nigga doin' better than me
I just salute
'Cause I'm a real nigga, I'm a real

Ah, I said jealousy's weakness
Yes, sir
Listen to me, I'm a preacher
Yes, sir
We ain't gettin' no bitches like that
We ain't gettin' no money like that
And that's no secret
Everybody dies
So keep this shit positive, I know

Must be hard to watch this black boy fly
Plenty hours in the sky

It's for the hatin' ass bitches in the back
Yo, Ma Se Poes
Before you come callin' me stingy
Bitch, go watch your balls
Ayy, why you bein' weird making eye contact
Bitch, are you good?
That's a real question
That's real

Ah, you look desperate, it's weak
Yes, sir
Listen to me, I'm preachin'
Yes, sir
You ain't gettin' this drink like that
You ain't gettin' this dick like that
And that's no secret
Everybody dies
So keep this shit positive, I know

Must be hard to watch this black boy fly
Plenty hours in the sky

Like, where you goin' next?
Tokyo, London, USA, Netherlands
One minute I'm ratchet, one minute I'm elegant
Bet she love me anyway, it don't even matter
She gon' eat me up like a Nando's platter

And she with me 'cause she love me
She ain't tryna fix me, I volunteer
Pussy nigga, you can diss me
Ten thousand hours, get you right, it's not a mystery
Study all the history, diamonds lookin' pissy

Girls got me lispy, dawn in sixty seconds like we Issy
Leave a bitch dizzy
Keep me at the mixed preview...
