

## Soft

Nasty C

Workin' hard just to live soft, soft  
Picture I could be like Rick Ross, Boss  
Ice, Ice, need a defrost, frost  
Shinin' so hard and my bitch too hard  
But her bunda, soft, soft  
I should make it wet like faucet, faucet  
And my V12 exhaust, cough (Vroom-vroom)  
Sleepin' with a blicky and a cross (Boom-boom-boom)

M and M's in my account  
Ain't nothin' shady, the sun is out (So)  
They gotta pay me, it's not a maybe  
They will obey me, I'm not a motherfuckin' clown (I'm the goat)  
I'm the one that represent my home town  
My diamonds pink, my .45 brown  
Dream chaser, I ain't slowin' down now  
Nigga, I need a jet with a big ass lounge

So I'm workin' hard just to live soft, soft (Just to live soft, soft)  
Picture I could be like Rick Ross, Boss (Rozay)  
Ice, Ice, need a defrost, frost (Ice, Ice, need a de-, yeah)  
Shinin' so hard and my bitch too hard  
But her bunda, soft, soft  
I should make it wet like faucet, faucet  
And my V12 exhaust, cough (Vroom-vroom)  
Sleepin' with a blicky and a cross (Boom-boom-boom)

Hopped out an auto V sport  
Chain dancin' up and down L'shay Ivosh  
Whip lookin' like a frog but it's a horse (Porsche)  
Bouta shit on my opps, on my mama azobhosh'  
Used to be broke, ain't had no dough, ain't had no money to record  
Days gone over, tell my mama, we ain't poor  
Countin' up racks ngiy'ndlala phansi wanted closure  
For all them years and I was sleepin' on the a floor, name Kult sha
