

I think I'm in my zone  
Hater leave me alone  
Bottles of what ever  
Smoking on that strong  
I only know how to turn up load  
Yeah we turn up loud  
Steady mobbing get you bodied leave you upside down  
Yeah we turn up loud  
Yeah we turn up loud  
Steady mobbing get you bodied leave you upside down, yeah

All my blunts are stupid fat  
That shit that make me feel like superman  
My eyes red as the devil then I go do shows  
I'm just tryna live 'cause money comes and go and so do hoes  
Fuck yea Styrofoam cup  
With a long blunt  
Nigga (Trigga) finna role up another long one  
I'm on one, two, three, four, till I'm on dust  
Your slut wanna choke up on this long blunt  
Young nigga with the heart of a beast  
Hard on the streets and I sure put my heart on these beats  
Go get your broad on the leash  
Retarded she pleads to give head and get right on her knees  
You think you're the man, nigga please  
You slippin' I aim to sit on the Throne like Charlize  
Your lady she's leaving with me  
I give her that D and now she's VIP-ing for free  
I'm young but I roll with the grown  
Takes shots of patron and smoke in a bong, bitch I'm on  
All of my nights are just long, the shots of the Vodka go blaka! The Kush is  
just strong  
I thought I told you I'm on  
The bitches go gaga when ever they pop in my song  
Hater do not get it wrong  
My shit is the anthem your bullshit just sounds like a Gong  
Boy when the fuck will you learn  
You turn down, we turn up, I'm guessing its just not your turn  
I roll up my sorrows then burn 'em like fuck all my burdens Man really I thi  
nk I'm in my

I think I'm in my zone  
Hater leave me alone  
Bottles of what ever  
Smoking on that strong  
I only know how to turn up load  
Yeah we turn up loud  
Steady mobbing get you bodied leave you upside down  
Yeah we turn up loud  
Yeah we turn up loud  
Steady mobbing get you bodied leave you upside down, yeah

I finally got your ass alone  
And I know I got you in the zone  
So don't your try to hide it  
And don't you try to fight it

Your smile is a blessing  
Your body's a curse  
You gon' send a nigga crashing with all of those curves  
You know I mean no disrespect, girl you know  
You're a fine mufucker yea you know, girl you know  
I know how to get you wet and go down and get baptized  
You love to get dirty I see it in your cat eyes  
Ass on swole I grab it, grab it  
You know them other niggas were practice  
I just wanna have fun, live life  
And just act like it ain't nothing else to it  
I know how it ends, not how to go through it  
But damn it we faded, this is how we gon' do it  
We just gon' drink (yea we just don drink, like we're never gonna see a tomorrow)  
And I'ma put your ass on the sink (put your ass on the sink and hit it like  
I'm not gonna see you tomorrow)

I finally got your ass alone  
And I know I got you in the zone  
So don't your try to hide it  
And don't you try to fight it  
I finally got your ass alone  
And I know I got you in the zone  
So don't your try to hide it  
And don't you try to fight it
