

## Dementia 13

Nasty Savage

I took the  
13 steps  
to the 13th  
pyramid  
there i was  
tied  
to the  
tree of woe  
lady of the  
lake  
fed me the  
beetle nut  
the veins of  
the highway  
descend even deeper  
sun strokes  
the walls  
on the path  
to the  
garden  
the prince  
of darkness  
offered  
his hand  
don't take it  
take it

A would be god  
unspeakable evil  
13 steps to Dementia 13  
dog crucifix  
inverted crosses in blood  
13 steps to Dementia 13

I took the 13 steps  
to the 13th pyramid

Dementia 13  
Dementia 13  
no not just  
a dream  
Dementia 13  
Dementia 13

(guitar solos)

As i stand  
before you  
Evil vs Evil  
mind bending  
blood will boil  
skin will crawl  
duel to the death  
redeemer  
this day i  
am mine  
silver cross

to free  
your soul  
its not a  
dream
