

## Divination

Nasty Savage

Eight forces of change  
Hidden knowledge you gain  
Time present, time past  
Are both here in the future  
Problems of life  
Through divine channels  
The melting of opposites  
The purpose remains  
Symbolize the shimmering water  
The wheel of the law  
It's destiny  
Rejoice with neither fear nor favor  
The inquisitor's artwork is not what it seems

Lovers sought to divine  
Winning the affection of their beloved  
Six parallel lines with enigmatic sayings  
Unbroken traditions, it's a game of chance  
An unending journey through the sky  
Unfolding the story so precise  
Your answers, hopes, and fears  
For what you don't expect

Themes of renewal you may rejoice  
Though triumph may bring it's own defeat  
Confusion of your misery  
Confirm the reading already taken  
Search for the answer of the resurrection  
Rejoice with neither fear nor favor  
The inquisitor's art work is not what it seems
