

## Ritual submission

Nasty Savage

Face to face  
Proposition is made  
Surrender  
All your rights  
As a human  
With no risk  
At all  
Hard facts  
His word is  
His bond  
Rebirth  
A hot sweaty  
Grip of fear  
Her cruelty  
Can't be controlled  
She's your mistress  
Body and soul  
You signed  
A contract to die  
She took you  
In hand  
The spin of her  
Web began

Ritual submission  
It happens everyday

Welcome pain  
In a  
Different  
Kind of way  
Bite the bullet  
To open  
Up your brain  
Narrow shallow  
Closed minds  
Always run a  
Step off time  
Four followers  
And no leader  
Daddy's boy  
And a teacher  
Breath deep  
The poinson gas  
Living in  
The working class

Ritual Submission

Black sky night  
Spin in a  
Whirlpool  
Moon lit woods  
The dogs  
Were howling  
In disbelief

Past  
Quail Hollow  
Send no flowers  
For the  
Head of the  
Maji  
He'll get the  
Grand tribute  
When they  
Scatter the ashes  
So Van Dercar  
And Salvador  
Surrealism's  
An open door
