

# Unchained Angel

Nasty Savage

The tides rise  
the tides fall  
a crash of thunder  
the storm rages on  
some say the world  
will end in ice  
some say the world  
will end in fire  
she has tasted  
the sweet desire  
and she chose the fire

All the angel sees  
turns to black  
the sun burns her eyes  
her body burns  
disappears like smoke  
a wild bird flies  
free from the darkness  
she came  
messenger of evil  
she is satans sister

Unchained Angel  
tell you lies  
Unchained Angel  
mortal disguise  
Unchained Angel  
wings of fire  
Unchained Angel  
is just a liar
