

Just kind

Nasty

You're causing trouble where there is none!

Coming after me like a rat for food!

The fact i'm not your kind shakes your head like a shaker!

I'm the dick in your ass!

Prepare to meet your maker!

Yo dude you want to fuck my life,
we've discussed enough,
i gonna fuck yours twice!

Just got laughter for you just chilling,
not impressed by your fucked up bitch moves,
feel amused cause when you play the bully,
you fool are moving like a fucking bitch moves!

No clues?
Thats what i tell you now,
just the truth just the truth just the truth!

You misunderstood i was just kind not weak!
You misunderstood!

I was just kind not weak, you caused trouble whre there was non

Come to me like a rat for food!

The fact i wasn't your kind shook your head like a shaker!

I'm still the dick in your ass and i am still your maker!

Yo dude you want to fuck my life,

You misunderstood!

I was just kind not weak !
