

Real Talk

Nasty

So you normally don't do this?
Wanna tell me I am the reason you turn, bitch?
Say you do it the first time
But like a pornstar you do suck my dick!
Afterwards you say you got a boy waiting home in bed
Surprise you kiss him after I came in your trap!

Oh, you pretend to be a lady?
But my friends already showed all your nudes n pussy pics

Why aren't you just honest and confess your wish for dick?!

Bitch!

Proud you show me pics of your fam
Of your newborn kid I am the biggest fan
You turn around and 5 minutes later
See you dancing with that girl there ready to get her
It's like you just get potato all day
You get bored and wanna try sushi you say

A real man needs freedom, maybe they do
Should have thought twice before
Cause now there is a fam that counts on you

Real talk!

Get your story straight!
Get your story straight!
Don't talk about respect if you are a fucking fake!

Get your story straight!
Get your story straight!
Ladies don't just act like some gents be real like real men!
