Am I Blue ? Got up this morning Along about dawn Without a warning I found she was gone Why should she do it How could she do it She'd never done it Before... Am I blue? Am I blue? Ain't these tears In these eyes Tellin' you? Am I blue? You'd be too If your dreams And your schemes Just fell through Was a time I was her only one But now I'm The sad and Lonely one Was I gay Till today? Now she's gone And we're through Am I blue?
