

# China Gate

**Nat King Cole**

China Gate, China Gate  
Many dreams, and many heart  
You separate like two arms open wide  
Some you welcome in and some must stay outside

Blow of rice, bitter tea  
Is this all the good earth has to offer me?  
Will I find peace of mind?  
Does my true love wait behind the China Gate?

Will I find peace of mind?  
Does my true love wait behind the China Gate?
