

# I Don't Want It That Way

Nat King Cole

I don't want it that way  
I don't want it that way  
It's just no good to be so free  
I don't want it that way

You were mine yesterday  
And I treated you cruel  
Now I'm the fool who has to pay  
I don't want it that way

(I don't want it that way) I don't want it that way  
(I don't want it that way) I don't want it that way  
It's just no good to be so free  
I don't want it that way

(I don't wanna be sad) I don't wanna be sad  
(I would rather be glad) I would rather be glad  
This heartbreak feelin' just won't heal  
And it's driving me mad

I don't want it that way  
I don't want it that way  
It's just no good to be so free  
I don't want it that way  
I don't want it that way
