

Love Letters

Nat King Cole

The sky may be starless
The night may be moonless
But deep in my heart
I know that you love me
You love me, because you told me so

Love letters straight from your heart
Keep us so near while we`re apart
I`m not alone in the night
When I can have all the love you write

I memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart

I memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart
