

Magnificent Obsession

Nat King Cole

You're my magnificent obsession
The greatest wonder on this earth.
The taj mahal and other spendors
To me really have no worth.

You're my magnificent possession,
A treasure lent me from above.
As long as I have breath within me,
You'll be my one and only love.

(interlude)

You're my magnificent possession,
A treasure lent me from above.
As long as I have breath within me,
You'll be my one and only love.
