

# Somewhere Along the Way

Nat King Cole

I used to walk with you  
Along the avenue  
Our hearts were carefree and gay  
How could I know I'd lose you  
Somewhere along the way?

The friends we used to know  
Would always smile "Hello"  
No love like our love they'd say  
Then love slipped through our fingers  
Somewhere along the way

I should forget  
But with the loneliness of night I start remembering ev'rything  
You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray  
That some day soon I'll find you  
Somewhere along the way

I should forget  
But with the loneliness of night I start remembering ev'rything  
You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray  
That some day soon I'll find you  
Somewhere along the way  
Somewhere along the way
