

## Young Love

**Nat Stuckey**

They say for every boy and girl there's just one love in this o  
ld world  
And I know I've found mine  
The heavenly touch of your embrace tells me no one can take you  
r place  
Ever in my heart  
Young love first love filled with true devotion  
Young love our love we share with deem emotion  
Just one kiss from your sweet lips will tell me that your love  
is real  
And I can feel that it's true  
We will vow to one another that there'll never be any other  
Love for you or for me  
Young love first love...  
Young love
