

# The Scientist

Natalia Lacunza

Come back to meet you  
Tell you I'm sorry  
You don't know how lovely you are  
I had to find you  
Tell you I need you  
Tell you I set you apart

Nobody said it was easy  
Oh it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start

I was just guessing at numbers and figures  
Pulling your puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
Tell me you love me  
Come back and haunt me  
Oh and I rush to the start  
Running in circles, chasing our tails  
Coming back as we are

Nobody said it was easy  
Oh it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
Oh take me back to the start  
Oh take me back to the start  
Oh take me back to the start  
Oh take me back to the start
