

I Can't Let Go

Natalie Cole

What am I waitin' for
There's really nothin' more to say
We've said it all before
So why can't I walk away

I turn around, you do me wrong
It's just the same old song you play
I know I should be gone
But I'm still holdin' on today

I, I can't let go
Oh, I, I can't let go
I've tried, but I can't let go of you
Ooh-ooh-ooh...

After all we've been through
We're down to me and you and pride
I don't know what to do
So I wish that you'd decide

'Cause I, I can't let go
No, I, I just can't let go
I've tried, but I can't let go of you
Ooh-ooh-ooh...

Those days are gone when I'll believe
Those tales you told me, uh-huh
But I could believe in you
If you take me in your arms and hold me

Oh, I, I can't let go
Oh, I, I just can't let go
I've tried, but I can't let go of you
Ooh, you, you, you, you

What, what do you feel deep inside
Maybe you'll come through
I've tried, but I can't let go of you

No, no, ooh, no, no, no, ooh...
Baby, now, ooh, I can't let go of you
No way, uh-uh, I can't let go of you
I just can't, I just can't let go of you...
