I Wish You Love

Natalie Cole

Goodbye, no use leading with our chins This is where our story ends Never lovers, ever friends Goodbye, let our hearts call it a day

But before you walk away
I sincerely want to say
I wish you bluebirds in the spring
To give your heart a song to sing

And then a kiss, but more than this I wish you love
And in July a lemonade
To cool you in some leafy glade

I wish you health
But more than wealth
I wish you love
My breaking heart and i agree

That you and i could never be So with my best My very best I set you free

I wish you shelter from the storm A cozy fire to keep you warm But most of all when snowflakes fall I wish you love But most of all when snowflakes fall

I wish you love
I wish you love, love, love, love
I wish you love
