

Mr. Melody

Natalie Cole

Hey Mr. Melody, your on my mind constantly
And I think of you the whole day long
Hey Mr. Melody, you mean the whole world to me
Without you I would have no song

Hey Mr. Melody, you got me humming to your crazy beat
The more I hear it, the more I like it
You really made a hit with me
Mr. Melody, Mr. Melody

You are my melody, you do the sweetest thing to me
Please won't you stay here for all time
You are my melody, just the sweetest you can be
And it's good to know your mine all the time

Oh Mr. Melody, your love ooh it makes me sing
I like loving you, you like loving me
Please don't ever change
Mr. Melody, Mr. Melody, Mr. Melody, Mr. Melody

Mr. Melody, you got me humming to your crazy beat
The more I hear it, the more I like it
You really made a hit with me
Mr. Melody yeah, Mr. Melody
Oh Mr. Melody well, Mr. Melody
Hey Mr. Melody, can you hear me? Mr. Melody

Mr. Melo Melo, Mr. Melo Melo
Mr. Melody, Mr. Melody
Mr. Melo Melo, Mr. Melo Melo
Mr. Melody, Mr. Melody
Mr. Melo Melo, Mr. Melo Melo
Oh yeah, Mr. Melody
