## My Grown-Up Christmas List

## **Natalie Cole**

Do you remember me I sat upon your knee I wrote to you With childhood fantasies Well, I'm all grown up now Can you still help somehow I'm not a child But my heart still can dream So here's my lifelong wish My grown-up Christmas list Not for myself But for a world in need No more lives torn apart That wars would never start And time would heal all hearts Every man would have a friend That right would always win And love would never end This is my grown-up Christmas list What is this illusion called The innocence of youth Maybe only in their blind belief Can we ever find the truth There'd be no more lives torn apart And wars would never start And time would heal all hearts Every man would have a friend And right would always win And love would never end This is my grown-up Christmas list This is my only lifelong wish This is my grown-up Christmas list Hoo... hoo...
