Pick Yourself Up

Natalie Cole

Pick yourself up, take a deep breath Dust yourself off and start all over again. Nothings impossible I have found For when my chin is on the ground I pick myself up, dust myself off and start all over again Don't lose your confidence if you slip Be grateful for a pleasant trip Just pick yourself up and dust yourself off Start all over again.

Work like a soul inspired till the battle of the day is won You may be sick and tired, but you'll be a man my son. Will you remember the famous men Who had to fall to rise again So take a deep breath, pick yourself up Dust yourself off and start all over again Don't lose your confidence if you slip Be grateful for a pleasant trip Just pick yourself up dust yourself off And try to start all over again.

You gotta work like a soul inspired till the battle of the day is won You may be sick and tired, but you're gonna be a man my son. Will you remember the famous men Who had to fall to rise again So take a deep breath, pick yourself up Dust yourself off and have a nice trip And start all over again!
