

# Stand By

Natalie Cole

You've got to learn  
You've got to learn how to follow the leader  
You've got to turn  
Turn off your pride and you're life will be sweeter

Love comes from God  
Surely, surely, surely you can see that  
If you check out your heart  
There's a part that you're keeping from me

Why don't you hold on tight  
Make this flight, we've got the whole night  
Saddle up your gear  
Have no fear, we are here, hey  
Better make it soon  
Give me room, come on and stand by me  
Come on and stand by

'Cause there is no time, no time to sit  
I'll bet you'll be quick about it  
And I know you will  
Once you learn that you can't live without it

Lord only knows how long  
How long, how long I have waited  
And the moment is near  
Line 'em up, get 'em ready at the gate

We're gonna keep 'em strong  
Moving on, we've got the whole night  
No looking back  
Where it's at, it's right now, hey  
Better make it soon  
Give me room, come on and stand by me

There's gonna be no looking back  
So baby, take everything you'll ever need  
Sure 'nough moving on, keep it strong  
It's a whole new game and a brand new street

You know, uh, you said you would if you could  
I'll make it good to ya  
Don't you stop 'til we get to the top, hey  
Ninety-nine and a half just won't do, stand by me

Hey, hey  
If it's real, what you feel, come on and stand by  
Don't you stop 'til we get to the top, hey  
Ninety-nine and a half just won't do, stand by me  
Come on and stand by

Ha, stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey

Stand by me, hey, hey, hey

Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey

Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey

Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey

Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey  
Stand by me, hey, hey, hey
