You've got to learn You've got to learn how to follow the leader You've got to turn Turn off your pride and you're life will be sweeter

Love comes from God Surely, surely, surely you can see that If you check out your heart There's a part that you're keeping from me

Why don't you hold on tight
Make this flight, we've got the whole night
Saddle up your gear
Have no fear, we are here, hey
Better make it soon
Give me room, come on and stand by me
Come on and stand by

'Cause there is no time, no time to sit I'll bet you'll be quick about it And I know you will Once you learn that you can't live without it

Lord only knows how long How long, how long I have waited And the moment is near Line 'em up, get 'em ready at the gate

We're gonna keep 'em strong Moving on, we've got the whole night No looking back Where it's at, it's right now, hey Better make it soon Give me room, come on and stand by me

There's gonna be no looking back So baby, take everything you'll ever need Sure 'nough moving on, keep it strong It's a whole new game and a brand new street

You know, uh, you said you would if you could I'll make it good to ya
Don't you stop 'til we get to the top, hey
Ninety-nine and a half just won't do, stand by me

Hey, hey
If it's real, what you feel, come on and stand by
Don't you stop 'til we get to the top, hey
Ninety-nine and a half just won't do, stand by me
Come on and stand by

Ha, stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey

Stand by me, hey, hey, hey

Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey Stand by me, hey, hey, hey
