

This Will Make You Laugh

Natalie Cole

This will make you laugh
I placed my dreams on you
This will make you laugh
They never did come true

I took a chance on the one romance
And vowed it couldn't miss
But I should have known to never judge
A heart by a kiss

This will make you laugh
I once believed in you
And for all my love
You didn't see it through

Of all the fools, I break the rules
Oh but I love you still you see
This will make you laugh
But it's not funny to me

This will make you laugh
I once believed in you
And for all my love
You didn't see it through

Of all the fools, I break the rules
Oh but I love you still you see
This will make you laugh
But honey it's not funny to me
