

King of the World

Natalie Grant

I tried to fit you in the walls inside my mind
I try to keep you safely inbetween the lines
I try to put you in the box that I've designed
I try to pull you down so we are eye to eye

When did I forget that you've always been the king of the world
?

I try to take life back right out of the hands of the king of the world

How could I make you so small

When you're the one who holds it all

When did I forget that you've always been the king of the world

Just a whisper of your voice can tame the seas

So who am I to try to take the lead

Still I run ahead and think I'm strong enough

When you're the one who made me from the dust

When did I forget that you've always been the king of the world
?

I try to take life back right out of the hands of the king of the world

How could I make you so small

When you're the one who holds it all

When did I forget that you've always been the king of the world

Ohhhh, you set it all in motion

Every single moment

You brought it all to be

And you're holding on to me

When did I forget that you've always been the king of the world
?

I try to take life back right out of the hands of the king of the world

How could I make you so small

When you're the one who holds it all

When did I forget you've always been the king of the world

You will always be the king of the world
