

# Symphonies

Natalie Grant

I've been in this place before,  
Knees to the ground on the valley floor  
Here in the shadows, here in the unknown  
Nothing here worth singing for  
I can feel the silence fall  
Here in the shadows, here in the unknown

On, and on, and on and on,  
Nothing's gonna steal my song  
On, and on, and on, and on,  
I will bring you,

Symphonies, symphonies  
Over and over with every breath I breathe  
Symphonies, symphonies  
Over and over, every single heart beat

Sing my soul, singing, sing my song  
I'm bringing symphonies, symphonies

I won't let my fear resound  
Chaos, you won't drown me out  
Even the downpour, is gonna hear my soul roar  
Beyond what I can see ahead,  
Beyond what hasn't happened yet,  
Even the raging storm, is gonna know my voice

On, and on, and on and on,  
Nothing's gonna steal my song  
On, and on, and on, and on,  
I will bring you,

Symphonies, symphonies  
Over and over with every breath I breathe  
Symphonies, symphonies  
Over and over, every single heart beat

Sing my soul, singing, sing my song  
I'm bringing symphonies, symphonies

When I can't find the words to say,  
Teach my heart your melody  
Sing my soul, sing my soul  
Sing my soul sing my soul

When I can't take another step,  
Breathe in me, another breath  
Sing my soul, sing my soul  
Sing my soul, sing my soul

On, and on, and on and on,  
Nothing's gonna steal my song  
On, and on, and on, and on,  
I will bring you,

I'm gonna bring, I'm gonna bring...  
I'm gonna bring you, gonna bring you, all my praise

Symphonies, symphonies  
Over and over with every breath I breathe  
Symphonies, symphonies  
Over and over, every single heart beat

Sing my soul, singing, sing my song  
I'm bringing symphonies, symphonies
