

# Counting Down the Days

Natalie Imbruglia

You were right  
And I don't wanna be here  
If your gonna be there  
Was that supposed to happen

I'll hold tight  
I'll remember to smile  
Though it has been a while  
And without you does it matter

There's no room  
No place to start  
When our souls are apart

I wanna travel through time  
See your surprise  
Hold you so tight  
I'm counting down the days tonight  
I just wanna be a million miles away from here  
I'm counting down the days

How've you been  
It's just the usual here  
And days are feeling like years  
And every day's without you

Now I cry  
Just a little too much  
When I think of your touch  
And everything about you

I feel cold  
I'm in the dark  
When our souls are apart

I wanna travel through time  
See your surprise  
Hold you so tight  
I'm counting down the days tonight  
I just wanna be a million miles away from here

I wanna travel through time  
See your surprise  
Hold you so tight  
I'm counting down the days tonight  
I just wanna be a million miles away from here  
I'm counting down the days

I'm counting down the days  
I'm counting down the days

I'm gonna be your surprise  
I'm gonna hold you so tight

Yeah

I wanna travel through time

See your surprise  
I'd hold you so tight  
I'm counting down the days tonight  
I just wanna be a million miles away from here

I wanna travel through time  
See your surprise  
I'd hold you so tight  
I'm counting down the days tonight  
I just wanna be a million miles away from here  
A million miles away from here
