

## Don't You Think?

Natalie Imbruglia

Some people  
don't worry  
about nothing  
don't know what's going on  
I'm not one  
who cant say they're sorry  
I just care what's going on  
there's more important things  
than making sure your watch looks just right  
and second hand opinions  
don't make you look any smarter  
don't you think  
don't you think  
don't you think that maybe it's time, yes it's time  
time you started thinking  
time you started thinking  
and don 't just sweeten up the taste

brother shoots brother  
but meanwhile you're fixing up your face  
you're not affected by the truth  
unless it's on your doorstep  
deodorize your paradise  
no point in getting crazy  
don't you think  
don't you think  
don't you think that maybe it's time, yes it's time  
time you started thinking 'bout things in the back of your  
head

someone said before you turn a blind eye  
hear a bell ring sex sells everything  
but I don't buy it so don't try it  
sleeping in the small world head in the sand  
better wash your hands, make a new plan  
there's more important things  
than making sure your shoes walk just right  
ignore reality there s nothing you can td about it...  
the clothes you wear don t make the man  
it's just another party  
[chorus]
