

Crazy

Natalie Jane

I remember when
I remember, I remember when I lost my mind
There was somethin' so pleasant about that place
Even your emotions have an echo, in so much space
And when you're out there without care
Yeah, I was out of touch
It wasn't because I didn't know enough
No, woah, oh
I just knew too much

Does that make me crazy?
Does that make me crazy?
Does that make me crazy?
Possibly

And I hope that you are havin' the time of your life
But think twice, ooh, ooh, that's my only advice
Come on now, who do you
Who do you, who do you, who do you think you are?
Ha, ha, ha, bless your soul
You really think you're in control?

I think you're crazy
I think you're crazy
I think you're crazy
Just like me
I think you're crazy
I think you're crazy
I think you're crazy
Just like me
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh
I think you're crazy, oh-oh-oh
Crazy

And maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably
