

## how u been?

Natalie Jane

Well, okay then  
Are we just gonna sit here and pretend  
And act like this ain't awkward ever since  
We called it off  
I've been holding back some thoughts  
And all you have to say is how you been?

Baby, I've been fucking miserable  
I wish I was dead  
I've been drinking every night  
Because it helps me forget  
I've been sleeping in your hoodie  
Wishing we never met  
I would say that if I could  
But I'll just say I'm good  
How you been?

It's just my luck  
Running into you on my night off  
And you're with your new girlfriend that you love  
It makes me nauseous  
That she got what I wanted  
And all that I can do is bite my tongue

Baby, I've been fucking miserable  
I wish I was dead  
I've been drinking every night  
Because it helps me forget  
I've been sleeping in your hoodie  
Wishing we never met  
I would say that if I could  
But I'll just say I'm good  
How you been?

Baby, I've been fucking miserable  
It tears me apart  
And I wish I could move on  
But I don't know where to start  
I think part of me will always wanna  
Be where you are  
I would say that if I could  
But I'll just say I'm good  
How you been?
