Natalie La Rose

Stop what you're doing, let's toast  
Mista magic mountain, now she wanna overdose  
Flo Rida do the most, that's a statement under oath  
This train on fast approach to pick up Natalie La Rose  
Let's go!

Bought a ticket for the ride  
But I can't turn back now, I'm inside  
Oh 'round and around it goes  
Where it stops, nobody knows  
I'm addicted to the climb  
You can hear my heart beat double time  
Make me blush, give me vertigo  
Can't stop, I already know

Oh, you lift me up, make me spin around  
Yeah, you hit the breaks and then bring me down  
I touch the cloud and fall back to the ground

I don't know, I don't know why  
But I love to ride your roller coaster  
I don't know, I don't know why  
But I love to ride your roller coaster  
I don't know, I don't know why  
Your roller coaster ride

I'm a victim of desire  
Cause your body sets my heart on fire  
Yeah, you know how to move it right  
Back and forth, take me through the night  
I'mma stay here by your side  
Wanna keep my hands inside your ride  
Gonna make it to paradise  
All the way take me through the night

Oh, you lift me up, make me spin around  
Yeah, you hit the breaks and then bring me down  
I touch the cloud and fall back to the ground

I don't know, I don't know why  
But I love to ride your roller coaster  
I don't know, I don't know why  
But I love to ride your roller coaster  
I don't know, I don't know why  
Your roller coaster ride

All access to my up and down, up and down  
Flo Rida express got you addicted now, spinnin' 'round  
Roller coaster crazy girl, said you wanna go faster  
Fast and furious when I take them curves, another chapter  
Hold up, get ready for the climb  
The way you sell your sexy, while I let you skip the line  
So we can share this theme park, your body any time  
The perfect place to scream cause you know it's going down

(I'll ride your roller coaster)  
You pick me up, take me anywhere and spin me 'round

When I'm with you I ain't never gonna hit the ground  
You pick me up, take me anywhere and spin me 'round  
Roller coaster  
You pick me up, take me anywhere and spin me 'round  
When I'm with you I ain't never gonna hit the ground
