

Guardian Angel

Natalie Merchant

Guardian Angel, I've heard you laugh
Kicking stones, breaking branches in your path
Thought I felt your hand
Saw your shadow pass

Guardian Angel, I'm begging you
Please forgive these things I do
I never meant to harm
I know you see me through

You take my breath away
Take my breath away
You take my breath away

Guardian Angel, I'm at your feet
Where's the love you promised me?
Where's your tender heart full of sympathy?

Guardian Angel, I don't believe
You could ever take from me
All the love had ever belonged to me

You'd take my breath away
Take my breath away
Take my breath away

Guardian Angel, I'll track you down
There's no place on earth you can't be found
Woe be unto the soul that harbors you

I'll take your breath away
Take your breath away
I'll take your breath away
