

# My Baby Don't Understand Me

Natalie Prass

I don't feel much  
Afraid I don't feel anything at all  
In the name of love  
I keep close but I am gone  
Stuck with his stride  
Even when the road was long  
Climbing one step at the time  
Waiting for a reason to fall

Our love is like a long goodbye  
We keep waiting for the train to cry  
Because my baby don't understand me  
He don't understand me anymore  
Oh no, my baby don't understand me anymore  
Oh, what do you do when that happens?  
Where do you go when the only home that you know is with a stranger?

When our love was young  
We could make the whole world crumble  
Oh, but with one word  
He could turn it all the way around

Our love is like a long goodbye  
We keep waiting for the train to cry  
Because my baby don't understand me  
He don't understand me anymore  
Oh no, my baby don't understand me anymore  
Oh, what do you do when that happens?  
Where do you go when the only home that you know is with a stranger?

Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye  
Waiting on the train, waiting on the train  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye  
Waiting on the train, waiting on the train  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye, our love is a long goodbye  
Our love is a long goodbye  
Waiting on the train, waiting on the train

We keep waiting for the train to cry  
Oh, because my baby don't understand me  
Ooh, he don't understand me anymore  
Oh no, my baby don't understand me anymore  
What do you do when that happens?  
Where do you go when the only home that you know is with a stranger?
