

I Want It All

Natalie Taylor

I've kept my grip so tight
I won't let anyone get in my way

I want beautiful things
Golden rings
Golden rings

I get what I want
I live just to get what I want

I want it all...
And I'll use you to get it...
'Cause I want it all...

When there's nothing left
They'll be nothing left for us to take

I wanted beautiful things
Diamond rings
Diamond rings

I get what I want
I live just to get what I want

I want it all...
And I'll use you to get it...
'Cause I want it all...
