Jumper

Natalie Taylor

I wish you would step back from that ledge, my friend
You could cut ties with all the lies that you've been living in
And if you do not want to see me again
I would understand, I would understand

The angry boy a bit too insane
Icing over a secret pain
You know you don't belong
You're the first to fight, you're way too loud
You're the flash of light on a burial shroud
I know something's wrong
Well everyone I know has got a reason
To say, "Put the past away"

I wish you would step back from that ledge, my friend
You could cut ties with all the lies that you've been living in
And if you do not want to see me again
I would understand, I would understand

Well he's on the table and he's gone to code
And I do not think anyone knows
What they're doing here
And your friends have left you, you've been dismissed
I never thought it would come to this
And I, I want you to know
Everyone's got to face down the demons
Maybe today you can put the past away

I wish you would step back from that ledge, my friend
You could cut ties with all the lies that you've been living in
And if you do not want to see me again
I would understand, I would understand
