Latch

Natalie Taylor

You lift my heart up when the rest of me is down
You, you enchant me even when you're not around
If there are boundaries I will try to knock them down
I'm latchin' on babe, now I know what I have found

I feel we're close enough
Could I lock in your love?

Now I've got you in my space I won't let go of you
Got you shackled in my embrace
I'm latching on to you

I'm so encaptured, got me wrapped up in your touch
Feel so enamoured hold me tight within your clutch
How do you do it? Got me losing every breath
Why did you kiss me? Made my heart beat out my chest

I feel we're close enough
Could I lock in your love?

Now I've got you in my space I won't let go of you
Got you shackled in my embrace
I'm latching on to you

Now I've got you in my space I won't let go of you
Got you shackled in my embrace
I'm latching on to you
I'm latching on to you
I'm latching on to you
I'm latching on to you
