Start Again

Natalie Taylor

In this space is the unknown,
Should feel like a heartbreak, but I'm whole.
I will let love move me
To a place where I belong

It's time to say goodbye.
It's time to say goodbye.

And I'll miss you,
This is for you,
Cause it's time to start again,
But I'll miss you till the end.

Through the dark when the light comes in.
It moves like a shadow on my soul
I know that life will lead me
Somewhere away from home

It's time to say goodbye.
It's time to say goodbye.

And I'll miss you,
This is for you,
Cause it's time to start again,
But I'll miss you till the end.

And I know that we will feel pain right now.
But it will fade before our love runs out.

And I'll miss you,
This is for you,
Cause it's time to start again,
But I'll miss you till the end.

I'll start again.. I'll start again.. I'll start again
I'll start again, I'll start again..
