

Surrender

Natalie Taylor

We let the waters rise
We drifted to survive
I needed you to stay
But I let you drift away
My love where are you? My love where are you?

Whenever you're ready (Whenever you're ready)
Whenever you're ready (Whenever you're ready)
Can we, can we surrender
Can we, can we surrender
I surrender

No one will win this time
I just want you back
I'm running to your side
Flying my white flag, my white flag
My love where are you? My love where are you?

Whenever you're ready (Whenever you're ready)
Whenever you're ready (Whenever you're ready)
Can we, can we, surrender
Can we, can we, surrender
I surrender
Oh, I surrender
