

# Now Or Never

Natalie Walker

I'm on the edge of this bridge  
When I jump will I sink or will I swim  
I'll take a chance this once  
I'm on the edge of this bridge  
When I jump will I sink or will I swim  
I'll take a chance this once  
Life's too short to sit and wish

Why have I felt afraid  
Doubt has always stared me in the face  
No I can't wait anymore  
This is mine for the taking

I'm gonna jump in  
I'm gonna begin  
It's now or it's never  
It's now or it's never

I'm not gonna wait  
I'm gonna be brave  
It's now or it's never  
It's now or it's never...

I've clung to what I know  
There's so much more that I want to explore  
Safe and sound weighs me down  
Gotta let it go so I won't drown

I'm gonna jump in  
I'm gonna begin  
It's now or it's never  
It's now or it's never

I'm not gonna wait  
I'm gonna be brave  
It's now or it's never  
It's now or it's never...
