

# How

Natalie

How  
(Natalise)

You weren't supposed to mean that much to me  
I wasn't supposed to fall in love  
You weren't supposed to seem like you loved me  
I wasn't supposed to lose control

But now you're gonna go  
And now I'm wonderin why, I'm left here to cry

(chorus)

How do you tell someone something they don't wanna hear  
How do you tell someone about the object of their fear  
How do you say I changed my mind, I love you so  
How do you make someone love you, someone love you if they don't

You weren't supposed to make me wanna love you  
I wasn't supposed to give you my heart  
You weren't supposed to break the rules of friendship  
I wasn't supposed to play the part

And now you're gonna go  
And now I'm wonderin why, I'm left here to cry

(chorus)

(bridge)

Maybe I saw more than I should have/ And maybe I saw more that  
you would have/ But it remains that it's you I need/ I'm so deep/  
I'm so deep/ I can't be saved

(chorus)
